INTRODUCING THE 2022 RANGER EV

Models Available: 2-Seat

CAN-DO CAPABILITY

POWER SUPPLY

Alternating Current (AC) power supply, offers superior efficiency & range. Go faster and farther without worrying about battery life.

TRUE ON-DEMAND AWD

Fast engaging AWD provides power to wheels that need it most when traction loss is detected.

TRACK YOUR RANGER

Plan for your day's work or adventure & know when precisely you'll need to charge.

COMFORT AND CONFIDENCE

SMOOTH SUSPENSION

The 10" of ground clearance and 9" of independent rear suspension gives you a smooth, comfortable ride even on the toughest terrain.

ULTRA-QUIET ENGINE

The single 48-volt, high-efficiency, and AC-Induction motor means a quieter ride & allows for a more stealthy entry and exit.

LED LIGHTING

Our 50W headlight and LED tail allow for visibility in any situation.

RANGER STRONG

ADJUSTABLE TILT STEERING

Utilize the tilt steering to adjust position and easily enter and exit the vehicle.

VERSATRAC TURF MODE

Turf mode unlocks the rear differential to execute tighter turns & protect your lawn.

ONE YEAR FACTORY WARRANTY

Every RANGER is backed with a standard one-year warranty.

(1 Year Warranty Excludes High Lifter Models)

ELECTRONIC POWER STEERING (EPS)

Less effort for steering your vehicle, best in class power & performance.

Warning: Polaris off-road vehicles can be hazardous to operate and is not intended for on-road use. Driver must be at least 16 years old with a valid driver's license to operate. All riders should always wear helmets, eye protection and protective clothing and footwear. Read, understand and follow your owner's manual. Ride within the limits of your own abilities and never engage in stunt or exhibition driving. Never ride under the influence of drugs or alcohol. All riders should take a safety training course. Call 800-342-3764 for additional information.
